

Custom Island Tours

Custom Island Tours provides private charter tours of the island of Oahu to groups of 2 to 10 people at a group rate in a 12 passenger van.

Don't worry about being packed like sardines into a 30 passenger bus with 20 other people you don't know. This is *your* private tour.

Circle the island and see the beauty of Hawaii and experience its ancient cultural sites and secret off the beaten path locations.

During your 8 hour customized tour, you decide where you want to go, and how long you want to stay at each location.
